

CAT Parent Timing Assignments - OCY Summer Classic

First timer for each session should ask what time to report at the timers table when they open up the spectator check-in.
Please **DO NOT** be late. Timers are normally expected to check in 15-20 minutes before the start (not sure w/new protocols).

Each Lane needs 2 timers, in some cases we have 2 in one lane. Others, we're just providing one of the 2. Indicated with an 'A' or 'B'.
