

2021 BAC Holiday Splash

Cougar Aquatic Parent Timing Assignments

Please DO NOT be late.

All timers are responsible for checking in with the head timer via text at the start of the session so that we know that we are set for that session.

You are responsible for finding your own replacement if you cannot make it. However, if you are new to the team and having trouble finding a replacement, please contact the head timer for your session for help.

A copy of the contact list for everyone will be e-mailed but not shared through the website.

Known officials were not put in to time to give you an opportunity to officiate. If you do officiate, please notify Coach Eric so he can make note.

BAC limits the number of officials allowed on deck at one time. If you are interested in officiating, please contact the Meet Ref listed on the meet announcement.
